

Education in Canada

LOOKING THROUGH A MULTICULTURAL LENS

The Global Connections Seminar gathers a diverse group of educators from around the world to offer insight into educational initiatives beyond their own country's efforts.

OBJECTIVES

- Examine the integration of diverse cultural perspectives into the Canadian education system.
- Foster a global exchange of ideas and strategies for promoting cultural diversity in schools.
- Investigate how a multicultural approach enhances student engagement, a sense of belonging and learning outcomes.
- Highlight exemplary multicultural education programs and initiatives in Canadian schools.
- Encourage networking and collaboration among participants and explore opportunities for ongoing partnerships and collaborative projects.
